***An Introduction to the Old Testament Pentateuch* Jul 23 2022 The Pentateuch--Genesis, Exodus, Leviticus,**

**Numbers, Deuteronomy--are the vital first books in the Bible. understanding the scope, meaning, and events of these five books is integral to understanding the whole of Scripture that follows. Old Testament expert Herbert Wolf provides layreaders and scholars alike with a strong undergirding of understanding and knowledge in this introduction that reveals both the seriousness and excitement of the Pentateuch. Readers will find Adam, Abraham, Joseph, Moses and Joshua in these pages, as well as terrible sin and glorious forgiveness, bloody sacrifices and battles, deadly betrayal and life-giving hope. Wolf first addresses the overarching themes that flow through the Pentateuch, with special attention given to Moses as author of the five books. He then addresses each book specifically, covering topics such as purpose and scope, and literary structure. He tailors additional study to each specific book. This book contributes significantly to a clear, deep understanding of the Bible's first five books.**

**The Face of Old Testament Studies Oct 26 2022 Leading scholars provide an overview of current issues in Old Testament studies.**

**The Heartbeat of Old Testament Theology (Acadia Studies in Bible and Theology) Jun 10 2021 This volume explores the theological heartbeat of the Old Testament by examining three big ideas that communicate the Old Testament's redemptive theology. Highly respected scholar Mark Boda shows how three creedal expressions--the narrative, character, and relational creeds--recur throughout the Old Testament and express its core redemptive theology, in turn revealing how the redemptive pulse of God expands to all of creation. He also traces these redemptive and creational pulses into the New Testament and shows their relevance for today's Christian community.**

**The Violence of Scripture Apr 08 2021 No one can read far in the Old Testament without encountering numerous acts**

**of violence that are sanctioned in the text and attributed to both God and humans. Over the years, these texts have been used to justify all sorts of violence: from colonizing people and justifying warfare, to sanctioning violence against women and children. Eric Seibert confronts the problem of "virtuous" violence and urges people to engage in an ethically responsible reading of these troublesome texts. He offers a variety of reading strategies designed to critique textually sanctioned violence, while still finding ways to use even the most difficult texts constructively, thus providing a desperately needed approach to the violence of Scripture that can help us live more peaceably in a world plagued by religious violence. --from publisher description**

**An Introduction to the Old Testament Apr 20 2022 This comprehensive, introductory textbook is unique in exploring the emergence of the Hebrew Bible in the broader context of world history. It particularly focuses on the influence of pre-Roman empires, empowering students with a richer understanding of Old Testament historiography. Provides a historical context for students learning about the development and changing interpretations of biblical texts Examines how these early stories were variously shaped by interaction with the Mesopotamian and Egyptian, Assyrian, Babylonian, Persian, and Hellenistic empires Incorporates recent research on the formation of the Pentateuch Reveals how key biblical texts came to be interpreted by Jewish, Christian, and Muslim faiths Includes numerous student-friendly features, such as study questions, review sections, bibliographies, timelines, and illustrations and photos**

***Invitation to the Old Testament: Participant Book* Mar 19 2022 Click here to read session one Participant Guide: guides daily study and preparation for discussion in the weekly group meeting. The expectation for daily study will be no more than thirty minutes. Invitation To the Old**

**Testament 8 sessions, 60-90 minutes Experience required: Moderate Explore the Old Testament's story of God and God's calling of the people of Israel through the many "voices" of the biblical text. Hear the magnificence of a Creation hymn, discover the law and wisdom teachings, listen to the warning of the prophets and explore the poetry of the Song of Solomon. In the two weekly video segments, first gain insight from biblical scholars and then take a visual tour of archaeological sites, ancient artifacts, and other physical remains, related to and illuminating scripture and events. Participants gain a deeper understanding and appreciation of the Old Testament as an integral part of the Christian Bible and a renewed discovery of our identity in God and God's vision for all things. This study is ideal for adults with a strong Sunday school or personal study background. Sessions: 1. The Making of the Hebrew Bible 2. The Creation Story of Israel 3. Out of Bondage 4. Promise and Problem in the Land 5. Israel Has a King 6. Division and the Rise of Prophecy 7. Exile and Response 8. Restoration and Renewal**

**An Introduction to the Old Testament Oct 02 2020  
Journal for the Evangelical Study of the Old Testament, 7.2 Feb 18 2022 Journal for the Evangelical Study of the Old Testament (JESOT) is a peer-reviewed journal devoted to the academic and evangelical study of the Old Testament. The journal seeks to fill a need in academia by providing a venue for high-level scholarship on the Old Testament from an evangelical standpoint. The journal is not affiliated with any particular academic institution, and with an international editorial board, open access format, and multi-language submissions, JESOT cultivates and promotes Old Testament scholarship in the evangelical global community. The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds, Dead Sea Scrolls, Rabbinics, Linguistics, Septuagint, Research Methodology, Literary Analysis,**

**Exegesis, Text Criticism, and Theology as they pertain only to the Old Testament. JESOT also includes up-to-date book reviews on various academic studies of the Old Testament.**

***The Fulfillment* Sep 20 2019**

**The Old Testament Mar 27 2020 The Old Testament is a collection of writings which came into being over a period of more than a thousand years in the history of the people of Israel and which reflect the life of the people in this period. Therefore, there is a reciprocal relationship between the writings or "books" of the Old Testament and the life of Israel in its history. The understanding of the texts presupposes insights into the historical context and the development of the life of Israelite society, while at the same time the texts themselves are the most important, indeed for the most part the only, source for it. This "Introduction" attempts to take account of this reciprocal relationship. The first part deals with the history of Israel. However, its approach differs from most accounts of this history. It takes the Old Testament texts themselves as a starting point and first of all outlines the picture of historical developments and associations which the texts present. An attempt is then made, on this basis, to reconstruct historical developments by introducing material from outside the Bible. This method of working leads to close connections between the second and third parts, because it has to take account of the nature and original purpose of the texts and their function within the biblical books as they are now. The second part attempts to present the texts collected in the Old Testament as expressions of the life of Israel. The third part discusses the books of the Old Testament in their present form.**

***Advances in the Study of Biblical Hebrew and Aramaic* Oct**

**22 2019 Advances in the Study of Biblical Hebrew and Aramaic by Benjamin J. Noonan examines issues of interest in the current world of Biblical Hebrew and Aramaic scholarship and their impact on understanding the Old Testament; it provides an accessible introduction for students, pastors, professors, and commentators to understand these important issues.**

***Paul and Scripture* May 21 2022 This volume illuminates Paul's use of the Old Testament and assesses competing contemporary approaches to Paul's interpretations of Scripture.**

**Finding Jesus in the Old Testament Jan 17 2022 A New York Times Bestseller! In Finding Jesus in the Old Testament, David Limbaugh unlocks the mysteries of the Old Testament and reveals hints of Jesus Christ's arrival through all thirty-nine Old Testament books. The key to the secrets of the Old Testament, Limbaugh argues, is the crucial New Testament encounter between the risen Jesus and two travelers on the road to Emmaus. With that key, and with Limbaugh as a deft guide, readers of Finding Jesus in the Old Testament will come to a startling new understanding of the Old Testament as a clear and powerful heralding of Jesus Christ's arrival. Limbaugh takes readers on a revealing journey from Genesis through Malachi, demonstrating that a consistent message courses through every one of the Old Testament's thirty-nine books: the power, wonder, and everlasting love of Jesus Christ. Previously published under the title The Emmaus Code.**

**From Prophecy to Testament Mar 07 2021 The theology of the New Testament is indebted to, and is a reflection of, major Old Testament themes, images, and language, because the New Testament authors wrote in the context of the Old Testament and the rich Jewish tradition of the study and interpretation of scripture. A group of ancient Jewish writers provided the Christian church with its Old Testament Greek text (the Septuagint) and provided**

**Aramaic translations (the Targums) for some of the writers of the New Testament. This group also produced many works that, whether intentionally or not, offered interpretations, expansions, and explanations of difficult or obscure Old Testament passages that influenced the New Testament authors. From Prophecy to Testament opens with a basic overview of past work on the development of New Testament theology, and then offers a superb collection of essays exploring the numerous ways in which New Testament writers were formed and informed by the biblical and extrabiblical literature of the Israelite people of the Second-Temple period. - Publisher.**

**The Old Testament in the New Testament Sep 25 2022**

**This collection of papers from members of the 'Use of the Old Testament in the New Testament' seminar (held at St Deiniol's, Hawarden, Wales) has been commissioned to honour its retiring chairperson, J.L. North. It includes contributions by Michael Goulder (Isaiah 61), Joel Marcus (Matthew), Maurice Casey (Christology), George Brooke (Parables), Judith Lieu (John), Peter Doble (Acts), Morna Hooker (Philippians), John O'Neill (Galatians), Ivor Jones (2 Thessalonians), Martin Menken (Matthew) and Steve Moyise (Intertextuality). BLURB AS REWRITTEN BY PRD 11 JANUARY 2000: It is well known, but not always appreciated that the 'Bible' of the earliest Christians was the Old Testament. How did the New Testament writers justify their faith in the risen Messiah from these Jewish scriptures? In this book, distinguished biblical scholars supply answers to these questions, both in general terms and from specific examples. Under review come individual New Testament writers (Matthew, Paul, John) and important themes (the Anointed One, monogamy and**

divorce), while crucial passages such as John 11, Isaiah 66 and Revelation 12 are put under the microscope. This collection demonstrates the ingenuity and vitality of early Christian scriptural exegesis, and offers the reader an up to date picture of the most recent research in one of the central issues of New Testament literary and theological study.

**Preaching and Reading the Old Testament Lessons Feb 06 2021** Prominent author and biblical scholar Elizabeth Achtemeier provides an outstanding preaching and study resource with this collection of brief expositions on all of the First Lesson texts contained in Cycle C of the Revised Common and Lutheran Lectionaries. Infused with her customary insight into the Hebrew scriptures, this compendium of Achtemeier's stimulating contributions to the preaching journal *Emphasis* furnishes a plethora of fruitful starting points for preparing sermons solidly rooted in the Bible yet connected to modern life. But as the book's title suggests, this volume isn't just for preachers and homiletics students -- it's also a powerful commentary for study groups and personal devotional reading. Achtemeier's unrelenting focus on the promises of God appearing in the Old Testament and fulfilled in the New Testament, combined with her outstanding scholarship, make these faith-filled essays an enriching resource for anyone who wants a clearer understanding of God's Word contained in the scriptures. Elizabeth Achtemeier has spent her interpretive life at the interface between critical exegesis and the task of proclamation. In this series of brief expositions, she exhibits her interpretive agility, her passion for the church, and her subtle judgments on a number of theological issues. Those faced with the weekly task of preaching will find rich and suggestive clues for letting the text have its say in the church. Walter Brueggemann

**Understand the Old Testament Oct 14 2021 A full 75 percent of the Bible is the Old Testament. If one of your kids, or your coworkers, or your friends were to ask you about the Old Testament, could you talk knowledgably about it? When you pastor says that your church believes in the Old Testament because the whole Bible is about Jesus, can you even imagine what he's talking about? In my experience, Christians often know stories from the Old Testament, or maybe have memorized verses from it, but very few would say that they understand it. That's where I stood not long ago, so I set out to do something about it. Frankly, without help, the Old Testament can be difficult to read, let alone understand. But with a little guidance, you can not only understand it, you can appreciate how it harmonizes with the New Testament and you can see how it is so foundational to your faith. I put together this book as I earnestly studied my way through the Old Testament. My hope is that I have taken hundreds of hours of reading and work, and summarized it into a book that can be used by Christians who just don't have hundreds of hours to invest. This book combines the best of what I've read and studied about the Old Testament. • It is part book-read it through, or select areas of interest from the summaries. • It is part Bible study guide-use the summaries to study or**

**lead a Bible study group. • It is part commentary-use it to complement your Old Testament reading. The Old Testament is the story that Jesus completes, and the promise that Jesus fulfills. Are you willing to invest about an hour per week for a year in order to see how this is true? • Learn the name, nature, attributes, and character of God. • Learn biblical principles, patterns, and promises. • Learn about Hebrew culture, language, and history in the context of world history. • Learn of the prophecies of hope through the Messiah. • Learn how the Old Testament testifies to Jesus throughout! Share this adventure with me! Take the first step! Start down the path! You will find it one of the most fulfilling things you've ever done!**

**The Bible-work Jul 31 2020**

**The Books of the Old Testament in Your Palm Sep 13 2021**  
The book is about introductions to the books of the Old Testament of the Bible, which is a compendium of God's divine Message to mankind that is uniquely written by forty divinely select people as His spokesmen. How many of these forty select men wrote the Tanakh or the Old Testament? This synopsis is a guide to the types of questions asked in writing this book. Who, for example, is the author of the Torah or the Pentateuch? Are all the books written by one person? Or are there others? What are the themes and purposes of each book? Does the difference in the arrangement and number of books between the original Hebrew Tanakh and our Old Testament make any difference to its being canon or faith? What are "the books of the kingdoms?" Why don't you see such titles in the Old Testament? What are the themes of some of the poetical books? For instance, why do good and righteous people suffer and the ungodly prosper? Does God care? How was the first ancient attempt of a holocaust foiled by Hadassah, also known as Esther, a beautiful Jewish orphan who became the queen of King Ahasuerus of Persia? What happened to the culprit? Why was the four-hundred-year period of the judges the most ungodly and

**apostate in Israel's history. Why was the Davidic covenant threatened by Bathsheba's marriage and Absalom's insurrection? What is your take on Daniel's "seventy weeks" prophecy? (Dan. 9:24). What does the phrase "seven weeks, and threescores and two weeks" mean to you as used in Daniel's prophecy? What about "A time, times, and a half" (Dan. 12:7) appearing in Daniel's prophecy? What does Ezekiel's vision about the "valley of the dry bones" coming to life mean to Israel and to you as a believer? The Old Testament begins with the story of creation and life but ends in Malachi (4:6) with a divine threat of a curse. Are you free from that curse as an individual or still under it? These are the many compelling and poignant questions laboriously dealt with in the book.**

**Matthew's Bible Sep 01 2020 What type of Old Testament text did Matthew use as editor of his Gospel? On the one hand, the editorially inserted fulfilment quotations with their peculiar textual form may be expected to represent Matthew's biblical text. On the other hand, the remaining OT quotations are mainly Septuagintal, and it is often assumed that Matthew reinforced the Septuagintal character of the quotations which he found in his sources. In the first part of this study, the fulfilment quotations are examined. Their textual form is best explained as a Septuagint text that was revised to make it better agree with the Hebrew and to improve the quality of its Greek; the evangelist took these quotations from a continuous text. In the second part, Matthew's remaining OT quotations are investigated. If Matthew borrows quotations from his sources, he does not adjust them to the LXX but he simply copies them or edits them in his usual way; if he inserts quotations into his sources, he makes use of his revised Septuagint. On the whole, this revised Septuagint seems to have been "Matthew's Bible".**

***The Old Testament in Seven Sentences* Nov 15 2021 It's easy to see the Old Testament as confusing, out of date, or irrelevant. Using seven key sentences drawn straight from**

**the Old Testament, Christopher J. H. Wright fits the pieces together, shows us the coherent whole, and points us toward Jesus. This short survey shows God's faithfulness and love for his people and illuminates how the Old Testament Scriptures prepared for the identity and mission of Jesus.**

**Wrestling with the Violence of God Dec 24 2019 The prevalence of evil and violence in the world is a growing focus of scholarly attention, especially violence done in the name of religion and violence found within the pages of the Old Testament. Many atheists consider this reason enough to reject the notion of a supreme deity. Some Christians attempt to exonerate God by reinterpreting problematic passages or by prioritizing portrayals of God's nonviolence. Other Christians have begun to respond to violence in the Old Testament by questioning the nature of the text itself, though not rejecting belief in a good God. Wrestling with the Violence of God: Soundings in the Old Testament is a response to these challenging issues. The chapters in this volume present empathetic, holistic, and methodologically responsible readings of the Old Testament as Christian Scripture. Contributors from different nationalities, religious traditions, and educational institutions come together to address representative biblical material that depicts violence. Chapters address explicit portrayals of divine violence, human responses to violence of God and violence in the world, alternative understandings of supposedly violent texts, and a hopeful future in which violence is no more. Rather than attempt to offer a conclusive answer to the issue, this volume constructively contributes to the ongoing discussion.**

**A Catholic Introduction to the Bible: The Old Testament Nov 27 2022 Although many Catholics are familiar with the four Gospels and other writings of the New Testament, for most, reading the Old Testament is like walking into a foreign land. Who wrote these forty-six books? When were**

**they written? Why were they written? What are we to make of their laws, stories, histories, and prophecies? Should the Old Testament be read by itself or in light of the New Testament? John Bergsma and Brant Pitre offer readable in-depth answers to these questions as they introduce each book of the Old Testament. They not only examine the literature from a historical and cultural perspective but also interpret it theologically, drawing on the New Testament and the faith of the Catholic Church. Unique among introductions, this volume places the Old Testament in its liturgical context, showing how its passages are employed in the current Lectionary used at Mass. Accessible to nonexperts, this thorough and up-to-date introduction to the Old Testament can serve as an idea textbook for biblical studies. Its unique approach, along with its maps, illustrations, and other reference materials, makes it a valuable resource for seminarians, priests, Scripture scholars, theologians, and catechists, as well as anyone seeking a deeper understanding of the Bible.**

**Das Alte Testament Jan 05 2021 Kein anderes Buch hat Religion und Kultur der westlichen Welt beeinflußt wie die Bibel und ihr größerer, Juden und Christen gemeinsamer Teil: das Alte Testament. Christoph Levin beschreibt seinen Aufbau, die Bildung des Kanons und die Überlieferungsgeschichte der Texte. Er stellt das Alte Testament als Teil der Kultur und Religionsgeschichte des Alten Vorderen Orients dar und zeigt zugleich, daß es als Heilige Schrift des Judentums und nicht als Geschichte Alt-Israels entstanden ist. Eine Zeittafel und Literaturhinweise runden diese allgemeinverständliche Einführung ab.**

***De-demonising the Old Testament* May 09 2021 The subject of demons and demonology has fascinated scholars and non-scholars, ancient and modern alike; it is not surprising that much work has been done on the topic by biblical scholars too. Chapter 1 places the present study within the existing scholarship showing that the early works on 'OT demonology' were influenced by comparative religion, anthropology, and an increasing**

interest in Mesopotamian and Canaanite parallels as well as a concern to seek and find vestiges of ancient religious beliefs in the Old Testament. The consensus of early 20th century scholars regarding what constitutes a 'demon' in the Old Testament has not been challenged by modern scholarship. Chapter 2 shows that biblical scholars still commonly turn to the ancient Near Eastern religions and cultures to explain difficult passages in the Hebrew Bible, to find parallels or the 'original' of difficult terms and concepts. Since it is generally accepted without challenge that azazel, lilith, deber, qeteb and reshef are the personal names of 'demons' appearing in the Hebrew Bible, the necessity arises to return to the texts in order to examine each term in its context. The present study seeks to answer the question whether these five terms are names of 'demons' in the Hebrew texts as we have them today. To accomplish its goal the present study will provide an exegesis based on Close Reading of all the relevant biblical passages in which the terms azazel (chapter 3), lilith (chapter 4), deber (chapter 5), qeteb (chapter 6), and reshef (chapter 7) appear. Attention is paid to the linguistic, semantic, and structural levels of the texts. The emphasis is on a close examination of the immediate context in order to determine the function (and if possible the meaning) of each term. The reading focuses on determining how the various signals within the text can guide towards meaning, noting how the (implied) poet/author uses the various poetical/rhetorical devices, especially personification, but also parallelism, similes, irony, and mythological elements. The present study shows that contrary to former and current scholarship there is nothing in the texts to support the view that azazel, lilith, deber, qeteb and reshef are the names of 'demons'. Azazel appears as the personification of the forces of chaos that threaten the order of creation; his role is to stand in contrast to Yahweh. The context requires that lilith is regarded as a bird, a night bird being the most

**plausible explanation of the term. Deber, qeteb and reshef are personifications of destructive forces and appear as agents of Yahweh, members of his 'Angels of Evil' who bring punishment (death) on the people of Israel for disobedience. There is no evidence to suggest that there are mythological figures behind azazel, lilith or the personifications of deber and qeteb. In case of reshef there is a possible connection to the Semitic deity Reshef. However, the mythological motifs are used merely as a poetic device.**

**Great Prayers of the Old Testament Jul 11 2021 A number of moving prayers can be found in the Old Testament and throughout Scripture. In this accessible volume, world-renowned scholar Walter Brueggemann offers his insight and wisdom on twelve prayers in the Old Testament, listening to the biblical text and explaining how these examples of ancient prayer can make prayer come alive for us today. Among the prayers explored are those by Abraham, Moses, Hannah, David, Solomon, Jonah, Jeremiah, Hezekiah, Ezra, Nehemiah, Daniel, and Job. The prayers in this volume express joy and lament and show the depths of human experience and the majestic grace of a loving God who hears everything and takes every prayer to heart.**
