i was looking for a similar but slightly different solution  
posting here in case it s useful to anyone else in my case i  
needed a more general solution that allows each letter to be  
repeated an arbitrary number of times 18 okt 2020 the more  
equal the opportunity is between territories the more level the  
playing field for your reps this provides major benefits for  
example if a territory is over served there are too few  
opportunities per rep your team won t have enough to do this  
leads to money and time down the drain and also means other  
territories will likely end up under served if a 14 feb 2017 after  
analyzing the information we gathered for table 2 we found that  
the experts agree on average that an excellent way to train for  
power is to complete 3 to 5 sets of 1 to 3 reps at an branch 3
