Additional information about Adult Bible Studies, Winter 2022-2023 Theme: Power and Love This winter, our Bible lessons follow the theme "Power and Love." The lessons first challenge us to try to understand Scripture, particularly the Nativity accounts, from the position of vulnerability and powerlessness. They then move to a closer look at what it means to belong to the family of God and culminate in a series of lessons on love and how it informs and changes our relationships. The writer of the student book is Sue Mink. Unit 1 Power and Vulnerability God's incarnation was into a poor family from a village of no consequence, vulnerable to the whims and machinations of the mighty Roman Empire. While some people reading this Bible study can relate to the poverty and obscurity, most will read it as citizens of a great world power. Some people know from experience that power can be abused even against a government's own citizens, but others have known only the

protection and benefits of that power. These lessons invite us to read the Nativity stories from the vantage point of the victims of empire. Scriptures: Judges 9:1-15; Matthew 1:1-25; Matthew 2:1-12; Matthew 2:13-15 Spiritual Practice: Acts of Mercy Unit 2 Power and Belonging The lessons in this unit follow the trajectory of biblical imagery for faith development from adoption through baptism and infancy in faith, into youthful excitement and exuberance, and then to a mature faith that struggles, challenges, and questions. Scriptures: Galatians 3:23—4:7; Luke 15:11-32; John 17:1-24 and Ephesians 4:14; Colossians 3:12-17; Matthew 22:1-14 Spiritual Practice: Rule of Life Unit 3 The Power of Love One of the distinct traits of biblical theology is the emphasis on God's hesed ("lovingkindness") and Jesus' selfless love. In the early twentieth century, a great deal of ink was spilled trying to distinguish agápe love by which we become channels of God's love from philía, friendship in which reciprocity is important, and éros, a passionate sort of love. Recent scholarship finds that Greek and biblical thought blurs the lines of agápe and philía and finds a greater emphasis on relationships. While we should enact our love without thoughts of personal gain, the ultimate goal of loving our enemies is becoming their friend. Scriptures: 1 John 4:7-21 and Ruth 4; 1 Kings 3:16-28; 1 Samuel 18:1-4, 19:1-7, 20; Matthew 16:21-28 Spiritual Practice: Spiritual Friendship Other Adult Bible Study components, sold separately, include: Teacher/Commentary Kit The Kit includes a Teacher Book and a Concise Commentary that are both supplementary and complementary to the

Additional information, as well as suggestions, designed to help leaders and facilitators lead with confidence. Observation of the church seasons, including Advent and Lent. Suggestions for developing spiritual practices (prayer, confession, worship, mindfulness, solitude, community, hospitality, neighboring, service, and celebration). Victory Workbook I is a step-by-step learning experience that will produce good results for everyone who applies these Biblical principles to their life. The author interacts with the individual utilizing the study to raise questions for pondering and provides answers from the Word of God for meditation. The workbook is appropriate for individual as well as group study. Each topic could be utilized as a Bible study in itself; however, completing the entire workbook is necessary to obtain the intended results. You will not be disappointed; victory comes to those who "Seek first the Kingdom of God and His righteousness." "Scripture is far from silent on the subject of baptism, yet history is strewn with such a variety of perspectives that it becomes difficult to gain a clear view of what the Bible itself actually has to say: How would the original readers of Acts, Romans, or Colossians have understood the texts concerning baptism when they read them for the very first time? How do readers of today understand the baptismal references of the New Testament if they have no particular commitment to a certain theological point of view? In thirteen chapters, Dr. Cottrell discusses the twelve major texts in the New Testament and does so by examining the meaning of the original words, the

historical background, and the comparative references. The texts covered: Matthew 28:18-20, Mark 16:15-16, John 3:3-5, Acts 2:38-39, Acts 22:16, Romans 6:3-4, 1 Corinthians 12:13, Galatians 3:26-27, Ephesians 5:25-27, Colossians 2:11-13, Titus 3:5, 1 Peter 3:21"-- P. [4] of cover. In this 12-week study, pastor Ryan Kelly helps readers embrace and apply Paul's message in his letter to the Philippians, encouraging them to endure hardships as faithful citizens of Christ's kingdom. quoted in the New Testament, and its quotations can be found everywhere from John Milton to Star Trek to Congressional speeches. Why so much attention? deeply with the work God would have them do. Nancy Wilson has been a pastor's wife for forty years, and in this book she walks through fourteen biblical virtues to help women of all ages actively pursue fruitfulness in the knowledge of Christ. This book highlights what the Bible has to say about a Christian woman's highest duty, what it looks like to be a leading woman in one's community, and what it means to pursue virtue when everyone else thinks it's no longer important. This encouraging little book includes application questions and assignments which should both challenge individuals and give groups much food for thought. The Father's Plan: A Bible Study for Dads encourages men at every age and stage of life to strengthen their relationship with God, building a legacy of faith to leave for future generations. This book is the result of a professional analyst reading the Bible in its entirety in multiple English translations, including the NIV (New International Version) and the Stone edition of the Tanach (Hebrew Bible), as well as researching and referencing other translations. The focus was to find everything that the Bible says about animals and analyze it. The author, Suzanne R. Buerer, saw a pattern throughout the Bible showing that the animals are very caught up in the affairs of mankind, carried along with humans in the Fall, in punishments, in blessings, AND in restoration. The author found that animals have the breath of the spirit of life which comes from God, and one book even discusses the spirit of the animal. The author shows how the Bible emphasizes that God is very involved with His animals - He knows them, He talks about them (in more than one book), they cry out to

Him, and He feeds and saves them. In the last chapter, the author also discusses scriptures concerning mankind's salvation along with and in contrast to God's saving and renewal of all of His creation, as there is a matter of choice for humans to turn toward or away from God, while He otherwise will eliminate death, save His creation, and renew all things. The conclusion is that God cares very much for all of His creation, including His animals. His love, salvation, and renewal extend to all who revere Him, the whole world and all that is in it! You pray for your own needs and for the needs of others. You pray in the face of conflict, and you pray for forgiveness. You pray to pour out your heart to God and to gain a glimpse of God's heart for you. As David Healey leads you through twelve-session LifeGuide® Bible Study on the prayers of men and women in the Bible, you will gain new insights into why, what and how to pray. Study the Bible daily for a closer relationship with God. Daily Bible Study is a great companion to the quarterly Adult Bible Studies or as a stand-alone study for those wanting to study the Bible daily. It is presented in quarterly segments. Bible-based and Christ-focused, it coordinates with the lesson themes of Adult Bible Studies. Each daily reading includes a one-page Bible study for each of the quarter, along with introductory reflection questions and commentary on the daily Scripture passage, life application and an concluding prayer. Additional information about Adult Bible Studies, Spring 2023 This spring, Daily Bible Study presents a series of readings supporting the theme "The Life of Faith." These readings enable us to walk alongside Jesus and his

disciples on Jesus' final journey to Jerusalem. They challenge us to explore the nature of faith that calls us to follow Jesus despite our uncertainty and doubts. They also help us unpack the concept of "sabbath," the foreshadowing of the rest that God promises at the end of our journey. Readings come from Old and New Testament texts. These daily readings, which prepare us for the lessons in Adult Bible Studies, are written by Susan Groseclose, Taylor Mills, and Greg Weeks. Unit 1 Journey to the Cross This Lenten season, we follow Jesus' journey to the cross in Matthew's account. Matthew's Gospel stresses in many places that through his crucifixion, Jesus makes clear his perfect obedience to God's will and the true nature of kingship under God's reign. Scriptures: Matthew 16:21-28 | Matthew 20:20-28 | Matthew 21:23-27 | Matthew 22:15-22 | Matthew 22:41-46 Spiritual Practice: Simplicity | Accountability Unit 2 From Doubt to Trust We often treat doubt and wisdom as belonging in opposite categories but often, questioning our wisdom, knowledge, and certitude is a sign of wisdom. As humans, we should struggle to understand. To act with complete confidence in our power of discernment is to claim God's power as our own. The path forward from doubt is one of trust in God. We are invited to imitate Jesus and let go of our doubt and our competition with God and to trust in God's love and intentions. Scriptures: Matthew 26:36-46 | Matthew 28:1-15 | John 20:11-29 | 1 Corinthians 15:12-28 | 1 Peter 1:3-16 Spiritual Practice: Meditation Unit 3 Intentional Sabbath In the secular West, the concepts of holy days and sabbath have been replaced by days off work or school and

vacations. We rest so that we can work harder and earn more money so that we can take vacations away from our communities. In the Bible, rest from work had a different purpose. One worked to prepare for the sabbath. On the sabbath, one participated together with the entire community, the livestock, and the land in a shared rest that signified the wellbeing and abundance that God intended for creation. No one was required to work to make another's leisure possible. Sabbath rest is a foretaste of the rest that awaits us, and that God will provide in the fullness of time. Scriptures: Exodus 20:8-11 | Psalm 23 | Matthew 12:1-14 | Luke 4:16-21

Spiritual Practice: Self-Care Books on the demonic abound, but not until Sydney H. T. Page's Powers of Evil has there been such a comprehensive biblical analysis of Satan and demons. Powers of Evil offers an exposition of every biblical reference to the demonic and analyzes historic and modern views. Page interprets particular passages from which some Bible readers have leaped to false conclusions. Studies of Jesus' confrontations with demons and of the exorcisms recorded in the Gospels and Acts examine the interplay of power and authority and the implications for the believer's stand in Christ. Romans shows us the power of the gospel to bring clarity to everyday life through faith in Christ. By writing Romans, Paul provides a comprehensive overview of God's plan for salvation and how to live within that amazing plan. In this eight-session video Bible study (video streaming included), Bible teacher Jada Edwards explores the Apostle Paul's expression of our faith in his letter to the Christians in Rome and what that gospel-driven faith looks like

in practice: how we love people, how we make decisions, how we live in community, and how we foster unity with others. As Phyllis J. Le Peau introduces twelve significant women of the New Testament, she invites you to enter into their lives and learn from them what it means to be a disciple of Jesus. This revised ten-session LifeGuide® Bible Study features additional questions for starting group discussions

and for meeting God in personal reflection, together with expanded leader's notes and a "Now or Later" section in each study. In today's multi-cultural and multi-religious world, evangelism is often viewed as scandalous, not only by those who are opposed to anything religious, but also by many Christians. In this book, Elmer Thiessen provides a response to those who find most or even all Christian evangelism objectionable. He does this through a careful analysis of what the Bible says about the ethics of evangelism. Based on this inductive study, mainly of the New Testament, Thiessen proposes thirty guidelines for ethical evangelism. Part II examines some specific contexts that pose unique challenges for doing evangelism ethically--evangelism of children, evangelism within a professional context like the secular academy, evangelism within the context of humanitarian aid, and finally the problem of proselytism, understood in the special and narrow sense of sheep-stealing. In ten sessions LifeGuide® Bible Study, Douglas Connelly explores your questions about the Holy Spirit. You will see that the Spirit of God is eager to work in your life to draw you closer to God. There are nine Fruits of the Spirit: Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control. Why are these nine fruits so important in everyday living? Paul in Galatians when speaking about these fruits was referring to the Holy Spirit. You are never too young or old to experience the fruits of the spirit. This study is for anyone, but the target of the study is for what we call the "tween" preteen years, that in between stage in life of growing up. Many questions of how

to live the Christian life can be guided by these fruits. In this study not only are the fruits discussed by life experiences as a tween, but the study shows how to use the Bible to search for these fruits using the Concordance Index. It's a great book for Bible study devotions! To fully understand the Fruits of the Spirit, we must be able to comprehend the nine words by their definition and context as given using the Bible. This is a comprehensive study of each word to help adolescence in their journey with understanding God. (Revised edition) A straightforward, encouraging, and practical discussion of the biblical imperatives for--and the immeasurable blessings of--generous financial stewardship. Advances in the Study of Biblical Hebrew and Aramaic by Benjamin J. Noonan examines issues of interest in the current world of Biblical Hebrew and Aramaic scholarship and their impact on understanding the Old Testament; it provides an accessible introduction for students, pastors, professors, and commentators to understand these important issues. This 12-week Bible study workbook is the fourth in the Woman's Guide series by Rhonda Kelley. Using the examples of servant leaders throughout the Bible, and especially the master example of Jesus, this study illumines the most powerful practice of great leaders—servanthood. Women of great influence have learned that leadership is more about nurturing, guiding, and meeting others' needs than about demanding or forcing others to comply. Christian women who want to use their influence for God's kingdom will benefit from this interactive study. Plans included for individual or group study. This overview of the Bible uses an

easy-to-follow study guide format to teach students ages 12–16 the central messages and narratives of Scripture, helping them grow in knowledge and love for God's Word. Die Bibel - ein Buch mit sieben Siegeln? Dieses altbekannte Vorurteil wird auf jeder Seite dieses Buches widerlegt. Bibellesen wird spannend, wenn man die Texte richtig versteht und weiß, wie sie auszulegen und anzuwenden sind. Was hat der Text seinen ursprünglichen Lesern gesagt? Und was bedeutet er für uns heute? Um diese zwei Fragen zu beantworten, muss man wissen, was für einen Text man vor sich hat: Ein Gedicht ist kein historischer Bericht, und ein historischer Bericht ist kein für alle Zeiten verbindlicher Gesetzestext. Evangelien, Gleichnisse, Offenbarung - "Effektives Bibelstudium" stellt die verschiedenen Textgattungen der Bibel vor und zeigt anschaulich, wie sie zu verstehen sind. Das Buch, das man braucht, um die "sieben Siegel" der Bibel zu brechen - damit Bibellesen Freude bringt und nicht in die Irre führt. "Die wahrscheinlich beste deutschsprachige Anleitung zum Bibellesen" Prof. Dr. Christoph Stenscke in "Die Perspektive", August 2005 Jesus war kein Europäer, sondern lebte in einer Kultur, die uns fremd ist. Dieses faszinierende, leicht verständliche Sachbuch liefert Einblicke in die Denkwelt Jesu und des Neuen Testaments. Durch die Beschreibung des kulturellen Umfelds, in dem Jesus gelebt und gewirkt hat, bekommt man ein tieferes Verständnis seiner Aussagen. Der Autor Kenneth E. Bailey hat Jahrzehnte lang im Nahen Osten gelebt und gelehrt. Für seine Analysen zieht er noch weitere arabisch-christliche Bibelausleger des Mittelalters heran. So

erfährt man zum Beispiel, warum Jesus in der Krippe, aber nicht im Stall geboren wurde, oder warum er in den Staub schrieb, als die Ehebrecherin vor ihm stand. Eine wertvolle Neu-Interpretation vieler biblischer Texte. In 1982, John Naisbitt's Megatrends: Ten New Directions Transforming Our Lives brought to our attention the harsh reality that a new and strange world was crashing down around us. One of the ways in which he suggested that the world would change was that we would move "from institutional help to self-help." By this, he meant that American society would move from being a culture dependent on institutions such as schools, hospitals, and the like, to being a people more centered on themselves individually. Thus, the emergence of "self-service" counters in the marketplace has become pervasive. In this light, Bible study has come to be a matter for the "self" as much as anything else. Pastors simply cannot expect to be the only ones who "know the Bible." They cannot assume that members of the church will concede to biblical illiteracy. Lay people want to know the Bible, just as the clergy and pastor know it. There is an insistence on the part of the average church member to become intimately familiar with the Word of God. Julius Richard Scroggs's How to Study & Teach the Bible is an ideal manual that introduces students of the Bible to its intricacies--from the youngest neophyte to the most skilled veteran church member--both clergy and laity alike. He insists that Bible study should become an integral part of the life of every church. He then plunges into a cursory, yet careful, exploration of what the Bible is and how one can become a more effective teacher,

preacher, and evangelist. This book is indeed a wise and worthy investment for everyone who desires to have a working knowledge of the Bible and takes the time to work through these pages. Unity, Inside and Out What we say and what we do don't always line up—despite our best intentions. Nobody likes a hypocrite, and yet we all can think of times when our words and actions didn't match. How can we live more authentic lives? Ephesians is a letter about unity, inside and out. Study this letter and discover the strength of God's Spirit to help you live and believe in harmony with God and others. LifeChange Bible studies will help you grow in Christlikeness through a life-changing encounter with God's Word. Filled with a wealth of ideas for going deeper so you can return to this study again and again. Features Cover the entire book of Ephesians in 14 lessons Equip yourself to lead a bible study Imagine the Bible's historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Find the flexibility to fit the time you have
